### Public Notice: Cost of Making Copies

DEPARTMENT OF COMMERCE HEREBY EXTENDS THE TIME PERIOD FOR THE PUBLIC NOTICE AS STATED BELOW, AND THE IMPLEMENTATION OF THIS POLICY HAS BEEN RESCHEDULED TO OFFICIALLY START ON FEBRUARY 22, 2016.

Please be advised that due to the rising costs of ink/toner, paper, and equipment to produce copies, the Department of Commerce beginning February 15, 2016 will start to charge \$0.15 per page for copies of any documents. As for electronic or soft copies, the rate of \$0.10 per page will apply to help defray costs of scanning and storing information and data electronically.

Sincerely,

Keniseli F. Lafaele  
Director
